Maesindo Indonesia Ltd
Manufacturer of Paper Packaging

Catalogue

Maesindo Indonesia, as a major manufacturer of food packaging and hygiene products, has made a breakthrough by developing the "Maesindo Paper & Maesindo Greaseproof paper". These materials have been developed "in-house" and have new, improved qualities that makes our paper products to be of a higher quality and more durable.

The benefits are as follows:

1. SVLK Certified (Indonesian Legal Timber Certification)
2. Pass Food Contact tests (European and FDA)
3. Hygienic (certified)
4. Easy Slip
5. Oil Resistant (up to 24 hours)
6. OBA Free
7. Halal and Kosher certified

About Us

FOODSERVICE DISPOSABLE

Increasing needs of practical, fast, clean and safe product has shifted the world lifestyle into Disposable. Product It brings impact to the world of foodservice and tabletop, when human's mobility is very fast and need a practical products, then comes the tools and packaging that support the practicality.

Along with the level of global concern on issue of global warming, the disposable products made of plastic are now replaced with recyclable materials, that is PAPER. Eco-Friendly becomes a major issue in the disposable world as environmental awareness of waste produced and recyclable.

MAESINDO INDONESIA Ltd. as a world-class and leading manufacturer of Foodservice Disposable which has been producing for over 20 years, understand that practical, hygienic and environmental friendly are essential in presenting packaging products and tabletop decoration products. Our Responsibility for producing product is represented by our ISO 9001:2015, Kosher Certified, and various Food-Contact Certification, so that we are trusted by more than 150 clients

Grade is a brand of products that are used for food and decoration purposes. The name itself symbolizes a high standard of hygiene, safety and quality for our customers.
